GENERAL INFORMATION CONCERNING THE PLANNER

- Kindly go through the Planner every day and kindly let us know if you have any doubts concerning anything mentioned in it.
- Enable your wards to bring this Prospectus cum Planner to School every day.
- Though the School Administration will take utmost care in implementing the Planner, there might be a possibility of some unexpected changes due to unexpected situations. Such changes would be informed to the Parents and Guardians through SMS or any other means communication when need for such changes arises.
- Participation in various activities mentioned in the Planner is a must for the Integral Growth and Development of the Pupils. The Parents or the Guardians need to request the School Management for exemptions if you or your ward do not like to participate in some particular activities and events.
- Holidays connected with the Local Feasts and Festivals and Holidays connected with sudden changes in some Feasts and Festivals will be informed to the Parents and Wards through SMS or any other communication after discussions with the Society running this Institution.
- Syllabus and Time-Table of each F.A. and S.A. will be sent to you on time.
- We used to have Half-Working-Day on Saturdays in the previous years. From this year onwards, Saturdays will be Full-Working-Days for the students from the First Standard to the Ninth Standard. Saturdays will be Half-Working Days for the Kids of the Nursery and the K.G Sections.
- There will be serious teaching of curricular subjects on Saturdays. Hence, kindly do not take any leave lest your wards miss the classes and thus get lesser marks in the results.
- As you all know, Thursdays and Saturdays are set apart for the House Programs. Wearing of House Uniforms is Compulsory on these days. Kindly keep up the practice without fail.
- The Four Houses of our school are Rig Veda House, Atharva Veda House, Yajur Veda House and Sama Veda House. The First Letters of these names makes RAYS which will become the Title for our School Magazine this year.

STORY OF JONATHAN LIVINGSTON SEAGULL

Dear Students...

Once upon a time, there was a seagull. His name was Jonathan Livingston Seagull. Generally, Seagulls do not like to fly very high. They fly around the sea-waters only to eat. They satisfy themselves with the fish or fish wastes that they get on the waters or on the shores. But, Jonathan was not a seagull of this nature. He did not want to satisfy himself with eating fish or fish wastes. He wanted to be adventurous. He wanted to fly. High. Very high. Higher. Higher. Higher. Highest.. 'A Seagull flying high...?' His folks could not grasp his idea. Hence, they could not accept it. Jonathan knew that he had something new to impart to his folks. He knew that he had a new message for them. He started practice flying hence. He faltered many times in the beginning. But he did not give up. He went on practicing. He knew that practice makes one perfect. His mother noticed him a couple of times faltering while practicing and falling down from the heights. She felt sympathy for him. But she did not stop him. She only wanted him to eat and drink on time together with his practice. Jonathan did not notice any of these. He increased his height of flying day by day. He also increased his speed. Flying, increasing the speed and increasing the height had become his unending passion. The elders of the seagull tribe were angry. They took Jonathan to be a wayward. The eldest among them called for a meeting. He placed his grudge before the crowd. The crowd, in turn, wanted him to be punished. They excommunicated him, as a result.

Jonathan did not take these to heart. He just practiced and went on practicing.

Soon-

A few little seagulls, taken up by Jonathan's courage and strength, tried to follow his footsteps. They pleaded Jonathan to teach them the art of flying. He reached them out. They too, gradually, took up to the art of flying. The number increased day by day till at last there was a huge fold of flying-seagulls.

Jonathan, piercing through the skies, found at last the perfection of flying. The folds followed.

Today-

There is no seagull that cannot fly high thanks to Jonathan Livingston Seagull.

Hence-

Fly dear children.

Even the sky should not be a limit in your pilgrimage towards perfection.
